The Mansfield Downtown Partnership, master developer LeylandAlliance, co-developer EdR, and other team

members are creating a great place to live, work, play, and learn at the crossroads of the Town of Mansfield and the University of Connecticut. Storrs Center features a unique mix of shops, restaurants, offices, and housing. Its heart and soul is a Town Square now being constructed opposite UConn's Fine Arts Building. The result is a welcoming downtown for the whole community to enjoy.
